Dear Customer:

The *Consumer Product Safety Improvement Act* (CPSIA) requires that we, as a manufacturer and importer of children's apparel, adhere to the safety regulations put in place by the U.S. Government for articles intended for children age 12 and under.

We, at LT Apparel Group – Lollytogs, LTD., want to inform you that all of our products comply with CPSIA regulatory mandates.

We have policies & procedures in place to ensure that our products are tested to the most stringent standards in the industry, which includes third party CPSC certified laboratory testing.

We appreciate your willingness to partner with us as we continue to support our core values of providing safe and affordable childrenswear to you and your consumers.

Should you have any questions, or require a copy of a CPC/GCC, please feel free to email us at Productintegrity@Ltapparel.com

Thank you
