

BELLA+CANVAS®

WHAT'S NEW SPRING SUMMER 2023

BE DIFFERENT.

We believe that being different — embracing what truly makes you unique — is the key to meaningful self expression.

So we don't just produce the highest quality apparel, manufactured in an eco-friendly, responsible way...

We create blank canvases on which to express your individuality.

OUR DIFFERENCE

The fashion industry is amongst the largest polluters in the world. We at BELLA+CANVAS hold ourselves to higher standards and are committed to a more sustainable approach.

That's why we design, dye, and cut our garments in Los Angeles where we are held to the strictest EPA standards.

In addition, our sweatshop-free facilities are partnered with the Fair Labor Association and platinum certified through W.R.A.P. - the independent watchdog organization for ensuring fair manufacturing practices.

We do things differently so you can choose a better garment.
