

Brooks Brothers

FALL 2023

An American Icon

As an internationally-recognized apparel brand, the Brooks Brothers name stands for impeccable quality, attention to detail and timeless style.

Brooks Brothers

Established in 1818, Brooks Brothers is the oldest retailer in the United States and was the first American brand to offer ready-to-wear tailored clothing. As the inventor of the button-down collar and the creator of some of fashion's most iconic styles, Brooks Brothers takes great pride in combining time-tested craftsmanship and state-of-the-art design in everything it makes.

Bridging the gap between art, finance and politics, Brooks Brothers has been worn by prominent actors, media personalities and over 40 US Presidents.

MILLENNIALS & GEN Z

A collection of Brooks luggage and apparel is displayed in a classic setting. A dark blue quilted jacket hangs on a hook against a dark wood panel wall. A navy blue satchel with brown leather handles sits on an ornate wooden chair with a beige upholstered seat. A grey jacket is draped over the chair's back. To the right, a stack of dark blue patterned trunks holds a pink sweatshirt and a red polo shirt. A tan suitcase with glasses on top is also visible. In the foreground, a grey backpack sits on a checkered floor next to a pair of brown leather loafers. The word "Brooks" is written in a large, white, cursive script across the center of the image.
