HOSPITALITYWEAR SERVED YOUR WAY

APPETISING APPAREL

THE ARTISAN'S CHOICE

The Artisan Collection by Reprime has been created for establishments who want their service teams to rock the retro look with an authentic vintage vibe. Key hospitality styles have been crafted using beautiful fabrics and textures which can be mixed and matched to achieve a professional image at the front of house.

Take a look at our Denim Collection of Aprons embellished with the typical design features from your favourite pair of jeans, or our Chino Aprons that are designed to reflect the latest street styles. Our 'Calibre' Apron adds a certain touch of quality with a heavyweight Cotton Canvas fabric that is soft to touch but tough to perform and is available in eight popular colour ways. All our Aprons are available in full bib and waist styles so you can mix and match for a really playful look.

You need to give consideration to what is going to be worn on top to offset your individual Artisan look. Our lumberjack inspired 'Mulligan' shirt can be worn long sleeved, or for a more casual look- with the sleeves rolled up and fastened securely on the upper arm. Made from 100% Cotton with a hearty checkered pattern across four colour ways, these styles will give your front-of-house teams a big personality!

Maybe you'd like to 'go for Gingham' with our Microcheck shirts, available in a

vibrant colour palette to accompany your choice of Apron.

Over in the kitchen you can continue the vintage vibe with chef and the team sporting Denim Chef's Jackets. Three classic shades of cotton rich denim are complemented by the more traditional Black and White styles to ensure that chef looks like the dish of the day!

Think about how your company logo works with different colour combinations. Whether it's a subtle embroidered logo on the left chest or a large screen printed motif on the front of an Apron, you'll reap the rewards from this type of brand advertising. Take some time to flick through this magazine which is packaged full of visual inspiration showing how you can build your brand through innovative and imaginative uniform solutions.
